The **eScan** computer programs (Software) are licensed; not sold to you by **MicroWorld** for use only under the following terms. MicroWorld reserves any rights not expressly granted to you. You own the media on which the software is submitted, but MicroWorld retains ownership of all the copies of the software itself. The software is protected by copyright law and international treaties. You will receive a pre-specified number of base packages (normally one) that includes the **eScan** software with the proper documentation.

This License Allows You to:

1) Install and use the **eScan** software only on the number of computers specified below.

THE SIZE OF THIS LICENSE IS _____ USER(S).

2) Extend the size of your **eScan** license by purchasing additional licenses. The total number of computers using **eScan** software are limited by the arithmetic sum of the sizes of the individual licenses you have purchased.

3) Transfer the software and all rights under this license to another party together with a copy of this license and all written materials accompanying the software, provided that the other party reads and accepts the terms and conditions of this license. You lose the right to use the software and all other rights under this license when transferring the software.

OTHER TERMS:

1) After purchase, you can download the updates from the Internet for a pre-specified period of time. After this, the software can be updated for an annual fee.

2) If so requested, the updates can be delivered to a number of locations against an additional fee.

RESTRICTIONS:

1) You may not distribute the copies of the software to another party or electronically transfer the software from one computer to another, if one of the computer belongs to another party.

2) The software contains trade secrets of MicroWorld and to protect them you may not decompile, reverse engineer, disassemble, or otherwise reduce the software to a human perceivable form.

3) You may not modify, adapt, translate, rent, lease, resell, distribute, or create derivative works based upon the software or any part thereof. However, we want to encourage companies in providing value added services to **eScan** customers. Please contact us directly if you are interested in the above mentioned activities.

LIMITED WARRANTY AND DISCLAIMERS:

Limited Warranty on Media: MicroWorld warrants the media on which the software is recorded to be free from defects in materials and faulty workmanship under normal use for a period of thirty (30) days from the date of delivery. Any implied warranties on the media, including implied warranties of merchantability and fitness for a particular purpose are limited in duration to 30 days, from the date of delivery. MicroWorld, will at its option, replace the media or refund the purchase price of the media. MicroWorld shall have no responsibility to replace or refund the purchase price of a media damaged by accident, abuse, or misapplication.

Disclaimer of Warranty on Software:

The software is provided 'as is' without warranty of any kind. MicroWorld expressly disclaims all implied warranties including, but not limited to the implied warranties of merchantability and fitness for a particular purpose, especially. MicroWorld does not guarantee the software or any accompanying written material in terms of correctness, accuracy, reliability, or otherwise. The entire risk as to the results and performance of the software and written material is implied on you.

Complete Statement of Warranty:

The limited warranties provided in preceding paragraphs are the only warranties of any kind that are made by MicroWorld on this product. No oral or written information or advice given by MicroWorld, its dealers, distributors, agents, or employees shall create a warranty or in any way increase the scope of this warranty and you may not rely on any such information or advice. This warranty gives you specific legal rights. You may have other rights, which may vary from state to state.

Limitation of Liability:

In no event will MicroWorld or its employees be liable to you for any consequential, incidental, or indirect damages arising out of the use of or inability to use the software or accompanying written material. This includes damages for loss of business profits, business interruption, and loss of business information. MicroWorld is not responsible for the software's ability to repel a specific virus or for damages caused by an unsuccessful virus prevention. The liability of MicroWorld to you for actual damages for any cause whatsoever is limited to the money paid for the software that caused the damages.

Termination:

This license is effective until terminated. It will terminate immediately without notice if you fail to comply with any of its provisions. Upon termination you must destroy the software and all the copies thereof. You may terminate this license at any time by destroying the software and all the copies thereof. Disputes related to this license agreement will be dealt within the jurisdiction of the country where the principal company is located.

Refund Policy:

MicroWorld goes out of its way to make sure its licensees are well informed about 'eScan' features prior to activating their license. During the pre-license period, we provide free evaluation copies of the program and free access to our technical staff (Evaluation copies contain the same features as licensed copies, but limit usage to 30 days). This allows potential licensees to use and understand the 'eScan' program prior to ordering a license. With this in mind, please note, as stated on our order form, "MicroWorld has a no refund policy on software, once the license key has been issued".

This refund policy is applicable, regardless of whether the product has been distributed via CD or an electronic download. In case of an operating problem, we provide 24x7 FREE Online Technical Support via e-mail, live chat, and forums.
