MUMBAI, INDIA: [eScan](#), a provider in security software solution, recently announced that it is ushering this new year with new offer for their customers, where customers who purchase eScan during the offer period get a chance to win prizes.

Govind Rammurthy, managing director and CEO of eScan said, "We take this opportunity to thank and reward our customers who have been an integral part of our success. We will keep innovating our solutions to suit the ever changing security needs and provide a secure and safe computing experience for all our customers."

To participate in the offer, a customer will have to buy either of the following products of eScan, eScan AntiVirus Edition, Scan [Internet](#) Security Suite, eScan AntiVirus Edition for SMB, eScan Internet Security Suite, said a press release.

After buying one of the above mentioned products, the customer would have to install eScan and activate it within January 15th 2010. After activating eScan, customers have to register on <http://www.mwti.net/newyeaoffer> before January 15th 2010 to validate their purchase.

The lucky draw would be conducted on January 22nd 2010 and the winners will be intimated by email. Winners of the lucky draw can win exciting prizes like high range [laptop](#), smart mobile phones, trendy wrist watches, iPods, etc, it added.
