eScan Announces Reward Scheme for Resellers

By [ChannelTimes Staff](#)

Mumbai, Oct 23, 2009 1749 hrs IST

eScan, one of the leading information security solutions from MicroWorld, has launched a month-long, points-based scheme to reach out to its resellers

The scheme, christened "Festival Bonanza", is for the period October 15, 2009 to January 15, 2010 and

offers prizes to be won by participating resellers.

Designed exclusively for resellers selling eScan in India, the scheme offer includes a holiday package trip to Singapore. The points can be accrued on the purchase of eScan small office/home office and small and medium business range of products only within this quarter.

This scheme is to acknowledge the pivotal role played by its partners in bringing eScan on a growth path, said Anil Gupta, head-national sales, MicroWorld. "The security solutions of eScan are today fast becoming a household name in all class A, B and C cities. The credit for this popularity lies with our network of channel partners and resellers. In return, we want to share our success and reward our partners for their dedication and loyalty," he added.

MicroWorld provides proactive protection against virus, spam, trojan, and many other information security threats,

To participate in this scheme, eScan resellers need to register online at <http://mspl.net/singapore>, on or before November 15th, 2009.
