Information Security Solutions amongst the IT users in Gujarat.

8/2/2011 5:27 PM

eScan will organize "Free Virus Cleaning Camp" at various reseller outlets across the cities and will be supported by eScan's sales and technical team on field.

Customers can bring their computers and laptops to the camp and get a free Virus check done. The promotional activity also brings a surprise bonanza for the end users. Customers who choose to buy eScan range of products from the free Virus Cleaning Camp also reap extravagant benefit from eScan which includes a Lucky Draw for its esteemed end customers and the winner wins a trip to Bangkok. To participate in the Lucky Draw, end users need to buy the eScan software and get registered on the eScan website with complete details. The offer is subject to specific products, and may vary.

"This road show is a part of our program to strengthen the relationship with our end users and increase the awareness about the current security concerns and empower our end users, thus strengthening the business of our channel partners", says, Mr. Anil Gupta, AVP- India Sales, eScan.

Notes to Editor

About eScan:

eScan, the world's first Real-time Anti-Virus and Content Security software for desktops and servers is developed and marketed by MicroWorld. It is powered by innovative and futuristic technologies, such as MWL Technology, DIRC Technology, NILP Technology, and sophisticated Anti-Virus Heuristic Algorithms that not only provide protection from current threats, but can also provide proactive protection against evolving threats. It has achieved several certifications and awards from some of the most prestigious testing bodies, notable among them being Virus Bulletin, AV-Comparatives, West Coast Labs (Checkmark), ICSA, and PCSL labs. Combining the power of various technologies, eScan provides Multilevel

Real-time Protection to Computers and Networks. For more information visit: www.escanav.com
