Bangalore: eScan, information security provider from India has signed up with Technocrat India as its regional distributor for Bihar, West Bengal, Orissa, Assam and the North East.

eScan, which is the flagship product of Microworld, is among the popular brands in the tier II and III cities as this feature allows eScan to provide fast and efficient solutions to customers. The solution is also sought after by consumers for its user friendly interfaces, robust technology and reliable solutions.

"After having reached out to Gujarat and South India, we wanted to strengthen our presence in Eastern part of the country. We are confident that eScan's association with Technocrat will assist in increasing its reach to every user across the SOHO & SMB segment, which is a strong focus area for us," explained Sunil Kripalani, Vice President, Global Sales & Marketing, MicroWorld.

"eScan is a very consumer centric brand and constantly keeps evolving its features and support services to meet the needs of its consumers. Therefore, I believe it will be a pleasure to work with the brand," said Asif Khan, Director of Technocrat India.
