eScan New Year Offers

Techtree News Staff, Dec 31, 2009 0830 hrs IST

The participants stand a chance to win a high end laptop, smart mobile phones, trendy wrist watches and iPods

eScan [Security](#), on the eve of new year has announced a special offer for their customers. New consumers who purchase eScan Security products during the offer period are eligible to get a chance to win a horde of prizes that the company is sponsoring.

The offer is valid on four products from eScan

- eScan AntiVirus Edition
- eScan Internet Security Suite
- eScan AntiVirus Edition for SMB
- eScan Internet Security Suite for SMB

After buying one of the above-mentioned products, the customer will have to install eScan and activate it within January 15th 2010. After activation, customers have to register on <http://www.mwti.net/newyearoffer> before January 15th 2010 to validate their purchase.

The company will conduct a lucky on January 22nd 2010 and the winners will be intimated by email. As for the prizes, the participants stand a chance to win a high end laptop, smart mobile phones, trendy wrist watches and [iPods](#). The company has not revealed what the prizes exactly are. Nevtrtheless, if you wish to try your luck with this offer, head here for more details! <http://www.mspl.net/events/schemetermsandconditions.asp>
