eScan brings out a Festive Bonanza for Resellers

By VARIndia Correspondent

eScan, one of the leading Information Security solutions from MicroWorld, has designed a special programme to reach out to its resellers and celebrate this season of festivals and holidays. The scheme christened "Festival Bonanza" is for the period of October 15, 2009 to January 15, 2010 and offers prizes to be won by participating resellers.

Designed exclusively for resellers selling eScan in India, the scheme offers exciting prizes to be won. The points can be accrued on the purchase of eScan SOHO and SMB range of products within this quarter. The prizes include exciting holiday package trip to Singapore.

"At eScan, we acknowledge that our partners have played a pivotal role in bringing eScan on a growth path. The security solutions of eScan are today fast becoming a household name in all class A, B and C cities. The credit for this popularity lies with our network of channel partners and resellers," says Mr Anil Gupta, Head - National Sales, MicroWorld. He further adds, "This special offer has been designed to benefit our partners and resellers during the holiday season. We invite our resellers to take active part in the scheme and give us a chance to show our appreciation to them."

To participate in this scheme, the resellers just need to register online at <http://mspl.net/singapore>, on or before November 15, 2009.
