

## eScan Appoints Savex as National Distributor

Partnership to further enhance eScan's presence and market share in the Indian market

Jun 22, 2012

eScan has appointed Savex Computers Limited, Mumbai, as its National Distributor for SOHO products, exclusively for eScan Anti-Virus 4 - Single User and eScan Internet Security Suite 4 - Single User boxes.

The anti-virus company said that the association with Savex will further enhance eScan's presence and market share in the Indian

market.

Sharing his views on this exclusive alliance, Sunil Kripalani, Senior VP (Global Sales and Marketing), eScan, said, "It is a privilege to have Savex Computers Limited as our National Distributor for India. Being a proficient distributor for more than two decades, exclusively of IT products, this strategic association will surely help us attain the next-level of business growth as well as increase our market share in the region. We look forward to a highest level of relationship with Savex, thus, together making eScan - the most preferred Information Security Solution in the region."

Anil Jagasia, MD, Savex Computers Limited, said, "We are pleased to add eScan to our esteemed vendor list. eScan range of products are not only efficient security solutions but also user friendly and cost-effective. We believe eScan range of products truly add confidence to computing and hence will help us to serve the IT users across the country more efficiently and effectively."
