eScan, has recently announced that the company will be rewarding its T2 channel partners, under its newly launched 'eScan Monsoon Bonanza offer'.

Savex Computers Limited, who is a National Distributor of eScan SOHO products, will take forward the entire scheme. However, only T2 partners who will buy eScan Internet Security - 4 Single User from Savex Computers Limited during July 1 to September 30, 2012 will qualify for the scheme. The winner will be chosen among the partners and will be rewarded with the trip to Dubai & Pattaya, along with several gifts based on the multiple bundles of slabs in the scheme.

Anil Gupta AVP - India Sales said, "eScan, today is one of the preferred Anti-Virus in India, delivering a seamless experience to end customers and is available across the country. This would not have been possible without the contribution of our esteemed partners. Hence, our partners and associates have always been very important for us and this is one way in which we could reciprocate our gratitude to them. eScan has always kept its associates at the forefront of all initiatives."
