2009-10-27 08:26:21 - eScan, one of the leading Information Security solution that provides proactive protection against virus, spam, trojan, and many other information security threats, is one of the exhibitors at Business InSight 2009 on October 28th, 2009 in Dearborn, Michigan. Business InSight 2009 is a conference where all the small business owners, entrepreneurs and business leaders of Michigan have the opportunity to interact with more than 300 successful CEOs and decision makers. It is an enormous platform where business leaders build new relationships and learn new tactics to stay ahead in the economic front. Speaking on this occasion Mr. Govind Rammurthy, Managing Director & CEO of eScan, said "Business continuity with security is a major concern for every business leader as there is a perceived gap between...
